Dear Mr. Moore,

RE: Congratulations to the South Huron music program at MusicFest Canada

On behalf of South Huron Council, I wish to express thanks and appreciation to the South Huron District High School music program and to all the students who recently attended MusicFest Canada in Ottawa. The school's senior band and jazz ensemble which won national silver and the percussion ensemble which won national gold has served the community with distinction.

Congratulations to all the students and staff who took part in this prestigious program and have represented the Municipality of South Huron and showcased our talent to the rest of Canada and North America!

We wish the music program continued success for years to come.

Yours truly,
MUNICIPALITY OF SOUTH HURON

Ken Oke
Mayor
